

APES ON ICE

THE PRIVATE RINK NIGHT FOR THE APE COMMUNITY

Friday, October 16, 2026 - Carolina Ice Palace, North Charleston, SC - ApeFest Week

THE NIGHT

One private evening built around ice and tables: approved check-in, social tables (entertainment only), tray service in the room, one hour of open ice, a shoot-the-puck station, and photo walls. Partners fund the night. Guests do not buy a public ticket - the room is a private list, capped on purpose.

WHO IS IN THE ROOM

BAYC / MAYC / ApeChain holders and clubs, plus guests already in town for ApeFest week. Community partners already committed: ApeChurch, APECO / Yuga, Geez, and GreenVisorGang. This is not a general public gate - it is the ape community, on ice.

THE ROOM (FIRST-YEAR, REAL NUMBERS)

235

BUILDING CAP
capped on purpose

135

TABLE SEATS

WHY SPONSOR NOW

This is the flagship night of a repeatable format: a private ice + tables gathering built to replicate in other rinks, with adult teams and youth programs to follow. First year means founding-partner pricing and naming rights on a night the community will talk about all ApeFest week. There is no prior attendance to quote - what we can promise is the room, the list, and the partners already in it.

SPONSOR MENU (FOUNDING YEAR)

NIGHT SPONSOR

\$5,000

Your name on the night ("Apes on Ice presented by ____"), rink-ice signage, branded shoot-the-puck station, shout-outs all evening.

TABLE SPONSOR

\$2,500

A branded social table for your team plus tray cards in the room - your brand sits where the community sits.

STATION / IN-KIND

\$1,000+

Photo wall or tray sponsorship, product placement in the room, and partner-list inclusion.

SPONSOR OUTREACH PLAYBOOK

PRIVATE - FOR THE ORGANIZER, NOT FOR SPONSORS

THE HONEST PITCH (SAY IT EXACTLY LIKE THIS)

First year. Private list. Three named partners already in, and the room is capped on purpose at 235. This is not a reach play - it is a room play. Anyone who needs follower counts or past turnout is buying the wrong night.

WHO TO HIT, IN ORDER

1. THE PARTNER NETWORK (WARM - START HERE)

ApeChurch, APECO/Yuga, Geez, GreenVisorGang. Ask each named partner for one intro to a brand they already work with. Warm intros close fastest - and each partner already has skin in the game.

2. WEB3-NATIVE BRANDS (COLD)

Wallets, exchanges, ape-ecosystem projects, NFT tooling brands that target BAYC/MAYC/ApeChain holders. One night of real, offline time with holders is the thing they cannot buy elsewhere.

3. HOCKEY + APPAREL (COLD)

Hockey gear, jersey and custom apparel, energy drink and skate-adjacent brands. The shoot-the-puck station and rink-ice signage are their natural placements.

4. CHARLESTON LOCAL (IN-KIND)

Restaurants, bars, bottle service, transport, photo booths. Trade in-kind for partner-list inclusion - keeps cash costs down and fills the room with quality.

THE COLD EMAIL (COPY, PERSONALIZE, SEND)

Subject: Your brand on the ice during ApeFest week
[Name] - quick one. During ApeFest week we are hosting Apes on Ice: a private rink night for the ape community - 235-cap room in North Charleston, social tables, an hour of open ice, shoot-the-puck station, photo walls.
Invitation-only. Partners fund the night; guests do not buy tickets. ApeChurch, APECO/Yuga, and Geez are already in.
I want [Brand] on the founding-partner list. Night Sponsor (\$5,000) puts your name on the night itself; Table Sponsor (\$2,500) seats your team where the community sits.
First year, so founding pricing only happens once. Worth a look?
[Your name] - Apes on Ice, Oct 16, Carolina Ice Palace

THE FOLLOW-UP (DAY 4, SHORT)

[Name] - floating this back up. The founding-partner list closes when the station placements are gone, and I would rather [Brand] hold the shoot-the-puck station than someone colder to the community. 15 minutes this week?
